HIGHLIGHTS OF SKILLS

- Solid foundation in network infrastructure, server administration, and object-oriented programming.
- Proficient in configuring networking equipment using Cisco Packet Tracer, including VLANs, routing protocols, and subnetting.
- Experienced in Linux server management, LAMP stack deployment, and relational database normalization (SQL/MySQL).
- Strong analytical and troubleshooting skills developed through configuring complex IT lab environments and debugging Java applications.
- **Languages (English, Mandarin, Cantonese) with excellent different cultural communication skills; effective at understanding and resolving diverse customer issues and technical inquiries.**

EDUCATION

Computer Systems Technician - Networking (T860) Sep 2025 - Present *St. Clair College, Windsor, ON*

- Achieved a strong academic standing with a current GPA of 3.33
- Course:java,mysql,linux,php,javascript,html/css.
- **Relevant Coursework:** Introduction to Programming (Java), Network Routing & Switching, Linux Systems Administration, and Database Management.

EXPERIENCE & ACADEMIC PROJECTS

Network Infrastructure Designer (Project) Jan 2026 - Present *St. Clair College, Windsor, ON*

- Designed and configured a comprehensive corporate network infrastructure using Cisco Packet Tracer.

- Implemented complex VLAN structures, inter-VLAN routing, and DHCP to ensure efficient and secure internal communication.
- Applied strict access control lists (ACLs) and routing protocols to simulate real-world enterprise security requirements.

Systems Administrator (Project) Nov 2025 - Dec 2025 *St. Clair College, Windsor, ON*

- Configured a secure, fully functional LAMP stack environment from scratch on an Ubuntu server.
- Managed local user permissions, configured SSH for secure remote access, and deployed Apache virtual hosts.

VOLUNTEER EXPERIENCE

Event Coordination Volunteer Jan 2026 - Feb 2026 *St. Clair College (Spring Festival Celebration), Windsor, ON*

- Collaborated with 3+ campus organizations to plan and execute the annual Spring Festival celebration, promoting cultural diversity to an audience of over 200 attendees.
- Provided bilingual support and served as a cultural ambassador, facilitating engagement between international and local students.
